EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS

Claim 1, line 10, the word -- the -- has been inserted after the word "of".

Claim 1, line 12, the " , " (comma) has been amended to a -- . -- (period).

Claim 10, line 2, the word "a" has been amended to the word -- the --.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims **1-22** are allowable over the prior art of record because the prior art does not teach or suggest a process for the electrolytic transformation of at least one furan-based starting compound (A) in an electrolysis circuit wherein the process is carried out in an electrolysis cell in which at least one hydrogenation catalyst is present, the process comprising both steps (i) and (ii) as presently claimed, esp., the step of (i) electrolytically oxidizing the at least one furan-based starting compound (A) to produce

Art Unit: 1753

(a) at least one alkoxyated furan compound (B) which has a C-C double bond in the five-membered heterocyclic ring, and (b) hydrogen, wherein at least one hydrogenation catalyst is present in the electrolysis cell.

The prior art does not contain any language that teaches or suggests the above. *Ponomarev et al.* do not teach the presence of at least one hydrogenation catalyst in the electrolysis cell. Therefore, a person skilled in the art would not have been motivated to adopt the above conditions, and a prima facie case of obviousness cannot be established.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
